

THE SECRET - FAST FORWARD HERE I AM

Music and Lyrics by Sandra Peppers Cooper

I saw The Secret on the Oprah show
Ordered the book and watched the video
It really wasn't that long ago
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

Read Deeper Than the Roots
My head started spinning
Nothing could stop me
My world kept winning

The Power of Now
A New Earth for good measure
Believe Ask Receive
And bask in life pleasures

I focused my energy
Feelings gave my thoughts power
Described what I wanted
Life's better by the hour
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

It's true what I thought about
I really brought about
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

Ask for anything
It's not about getting
Feel you already have it
It's all about letting

Feelings are your feedback
Guiding you to what's best
So feel that thought your thinkin'
And let go of the rest

I asked for a true love
We met at the gym
It was the Law of Attraction
Attracted me to him
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

It's true what I thought about
I really brought about
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

In the process of change
I had some distancing friends
Harmonic wealth
Strengthened my love for them

I'm always grateful
For all God has given
Took the good from the bad
Started quality livin'

I wanted to give back
To share what I knew
This song is my gift
The secrets out and it's true
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

It's true what I thought about
I really brought about
and FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM

I was amazed at how easy it was
Change your way of thinkin' for yourself because
That's all I did and everything was like BAM
And FAST FORWARD HERE I AM
FAST FAST FORWARD HERE I AM
FAST FAST FORWARD
FAST FAST FORWARD
FAST FAST FORWARD HERE I AM
